

Manifesto

Overarching themes

- Promote the image of ASNC
- Improve communication within the society
- Get things done as part of an equal partnership
- Encourage further integration between year groups

We will maintain...

- The good work of previous presidents
- The growth of the ASNC society funds
- Exciting guest lectures and the weekly lunch and pub trips

New Ideas

- Freshers:
 - Produce an 'Unofficial guide to ASNC' to distribute to the ASNC freshers
 - Include a Fresher's Week timetable of ASNC events in the Unofficial guide
 - Send out the introductory ASNC society emails to all freshers regardless of whether they have signed up to the society
 - Set up a stall in the university Fresher's Fair to promote ASNC outside the department
- Send a weekly update email detailing forthcoming events of interest to the society
- Promote the use of the ASNC society website
- Establish a single official facebook group for the society and keep it updated
- Advertise the online society shop to other relevant university departments
- Help organise study groups within and between year groups

And finally: ASNC is dear to our hearts.
