

RHODRI ODRI AND AMY D FOR CO-PRESIDENTS AND AMY D FOR CO-PRESIDENTS CO-PRESIDENTS CO-PRESIDENTS

'IYA BEBS!

We are Rhodri and Amy, second years from Caius and Pembroke College respectively. If elected, we would strive to be active, hard-working and approachable Co-Presidents. We have a number of ideas which we would try to incorporate into the overall ASNaC student experience.

BUT WHY CHOOSE US?

We believe that we are both qualified and competent. We work very well together and promise to operate on a professional level. We both have experience on committees and as leaders. Rhodri has been an ASNaC Committee member as Yule Play Officer and also has administrative experience from working as the Treasurer of the Caius Shadwell Society. Amy has been a member of Pembroke's JCR as both Green Officer and currently as the Vice-President. She is also a leader in Girl Guiding and has organised multiple holidays and camps. We have both been involved in Access and are keen to promote this within ASNaC; Rhodri has organised mock-interviews in his old sixth-form college and Amy is a Cambassador. Overall, we think that our combined experience makes us ideal Presidential candidates. Diolch yn fawr.

OUR POLICIES

- ☑ Endeavour to integrate year-groups through more student-chosen social events, for example through Facebook polls on the Social Group and a suggestion box in the Common Room.
- ☑ Ensure that ASNaC Pub is made easy for all ASNaCs to attend through a possible change of time and if need be, location which would therefore encourage higher attendance.
- ☑ Encourage greater use of the Common Room and its facilities by all year groups
- ☑ Liaise with the Treasurer to secure funding for the ASNaC Quire and other possible future sub-societies.
- ☑ Encourage greater attendance on the annual ASNaC Trip. We have lots of ideas for three fun-filled days in South Wales, surveying castles, stone monuments and a Cardiff pub crawl.
- ☑ Organise a likely Celtic-oriented speaker for the annual Guest Lecture; our potential speakers include T.M. Charles-Edwards, Patrick Sims-Williams, Sioned Davies, among others.
