

**greetings fellow asnacs!** Liam and Christina here! We're excited to be running for ASNaC President together! The ASNaC society prides itself on its tight-knit community and for our last two years in Cambridge we have definitely felt a part of that community. Naturally, we'd love to have the opportunity to lead and contribute to a society with a long tradition of comradery, inclusivity, and friendship. Both of us feel that we are qualified for this role, and we sincerely believe our ideas would be instrumental in the developement and growth of the society as a whole. So please consider voting for us as your new ASNaC presidents!

## our policies

- Set up a weekly newsletter which would advertise ASNaC lunch, ASNaC pub, ASNaC events, as well as let everyone know what is going on with the society that week, plus a Gesta-style quote of the week, which we would email to the society every Monday
- Arrange fortnightly events, such as movie or bowling nights
- Reorganise and re-catalogue the ASNaC Common Room Book Collection. This new catalogue would be posted on the society website
- Ensure that the society budget is reviewed at every committee meeting so that we achieve complete transparency in terms of our budget and how it is being used
- Liase with the catering officer to ensure that appropriate payments are being made and ensure that ASNaC lunch is running efficiently
- Introduce a washing up rota so that the same people don't have to wash up every week (and Lauren is kept happy!)
- Promote more use of the website in terms of resources for students as well as updated news and events
