

TEDDIE & BASHA

ASNAC PRES

HELLO EVERYONE!

We are Teddie & Basha, and we would be super excited to be your *ASNAC* presidents! We are *Second Years* at *Queens'* and *Catz* respectively, and have both been on the committee for a year already.

As presidents we would help to maintain the department's reputation as one of the most friendly and welcoming in the university. We feel like we have the perfect combination of fun, approachability, and organisation!

ASNAC TRIP

- ♦ Sutton Hoo
- ♦ West Stowe
- ♦ Colchester Castle
- ♦ Bury St Edmunds Abbey
- ♦ Salisbury Cathedral

The trip is such a fun part of *ASNAC*, so we want to make it accessible to as many people as possible. To do this we're suggesting we explore a bit closer to Cambridge, as it's really convenient and there's so much to do!

OUR POLICIES

- ♦ Encourage more communication between the committee and the department so that everyone can feel involved and we can ensure our policies reflect what you want.
- ♦ Organise subject families within the department for students from colleges without *ASNACs* in the other years so that everyone is included and supported.
- ♦ Introduce go-to experts for each paper in *ASNAC*, so both current and prospective students always have someone they can ask about things.
- ♦ Arrange a vote for the area of *ASNAC* you would like us to select a speaker from for the society talk at the end of Lent.
- ♦ Develop sub-committees on the *ASNAC* committee so more people can get involved without too much pressure and to make sure we can make events such as the Yule Play, *ASNAC* Lunch, & Pub Friday as great as possible!
- ♦ Reorganise some roles on the committee to support people when they are busy and ensure seasonal roles are involved year-round.
- ♦ Encourage more people to come to *ASNAC* pub by introducing special pubs a couple of times a term to make it a bigger event.
- ♦ Expand our social media presence by ensuring the continuation of the *ASNAC* Society Tumblr.

WHY US?

We are both active & friendly members of the department, being involved in past trips, Yule Plays, Gestas, and spending time with other *ASNACs*. We both have administrative and leadership experience: Teddie is Treasurer of the *Queens'* drama society and Basha is Ents Officer for the 2016 *Catz* May Ball. We work well together as a team and with the other members of the committee. Together we would be great and enthusiastic presidents :)
